Strengthen your client relationships and expand your revenue sources in the medical and legal markets.

Thrive in the competitive medical marketplace with key features like top occupational class designations and Own Occupation specific policies with specialty language available to ensure that your clients are properly protected against a loss of income due to illness or injury.

Disability Income Insurance offers producers some of the highest rates of compensation in the business, up to 80%, along with renewal streams which could be as high as 20% of annual premium - for life of contract.

If you are not selling DI to your clients in these markets then you aren't adequately protecting them.
